cameras, while hometown hotties Kim Loan and Pearl Nalani really turned up the heat.

According to our sources, Nightshift New York was a tremendous hit – bringing in a larger crowd than the Action Media crew originally forecasted. Actually, droves of NY's finest were called to duty to maintain crowd control. We can't wait to follow Nightshift into Sin City, as it will be invading Las Vegas, NV in early September. Is it too early to go All In already? **PAS**
